Pompano Beach, Florida 33073

RE: **Terrazzo Installation**

Dear Harvey,

I am writing to congratulate you on Artistic Surfaces' impressive terrazzo installation at the Norton Museum of Art Southwest Wing Addition.

Your team did an outstanding job despite the floor pattern's complexity. I was particularly impressed with the quality and dedication of your installers. Their attention to detail and positive attitude were an asset to the project.

Thanks again.

Sincerely,

Andrew A. Santaniello, AIA
