Terrazzo Contractor

Artistic Surfaces
Pompano Beach, Florida

Resin/Cement Supplier

Key Resin Company
Batavia, Ohio

Chip Producer

Fribel International, Inc.
Alameda, California

The renowned Puerto Rican artist's painting was "translated" into a beautiful 12' art medallion. The owner recognized that if this intricately detailed work were to be brought to life, it could only be done with terrazzo materials and by terrazzo artists. He asked Artistic Surfaces to work behind low barricades so that the local newspapers could photograph this masterpiece as it was being created.

National Terrazzo & Mosaic Association
2005 Honor Award
