Re: Letter of Recommendation
Miami Intermodal Center – Car Rental Facility

Dear Mr. Namm,

By way of this letter, I would like to take this opportunity to thank you and recommend The Namm Group D/B/A Artistic Surfaces and your staff for providing excellent terrazzo work performed at the Miami Intermodal Center Rental Car Facility. My experience with Artistic's supervisory staff and installers, who worked on this project, did so with due diligence; expertise and a positive attitude which helped us provide the Owner with a first rate building which was completed in a timely manner. Artistic Surfaces team has been extremely professional, and successfully partnered with Turner Construction which enabled all parties to overcome any obstacles that are always part of a construction project of this magnitude.

As a Senior Project Executive with Turner Construction, I have been intimately involved in said project and highly recommend Artistic Surfaces for any future projects/jobs. I look forward to our continued association with Mr. Harvey Namm and The Namm Group D/B/A Artistic Surfaces.

Please express my sentiment to everyone who was involved with this project. If you need any further information feel free to contact me at 786-265-0891.

For Turner Construction Company,

Carlos Casal
Sr. Project Executive
Miami Intermodal Center
